

# Get off on the *Wright* Foot.

## *Our Sole Story*

At Wright Foot Socks, we believe life's too short for boring socks—or taking yourself too seriously. Five years ago, we set out to create a brand that's as fun and vibrant as the people who wear it. From day one, our mission has been simple: to bring joy, laughter, and a whole lot of personality to your sock drawer.

Our designs are bold, our colors are bright, and our puns? Well, they're "sockingly" good (or so we think). Every pair we create is a little reminder to have fun, laugh often, and maybe even give someone else a reason to grin. Because at Wright Foot Socks, happiness is always in style!

## Custom Order Process

### Step 1: *Idea*

Every Wright Foot sock first starts with a punny idea.

### Step 2: *Art*

After the idea is born, we give it to our talented artists to bring to life. Typically we receive artwork within 1-2 weeks. This step is where we make adjustments.

### Step 3: *Sample*

Once our artwork is deemed perfect, we send it to our sock supplier to create a sample. This is our last chance to make tweaks!

### Step 4: *Order*

After the sock is approved for production, the order is shipped. Depending on quantity, shipping takes about 8-12 weeks.
